

# Mini panel type J - vertical

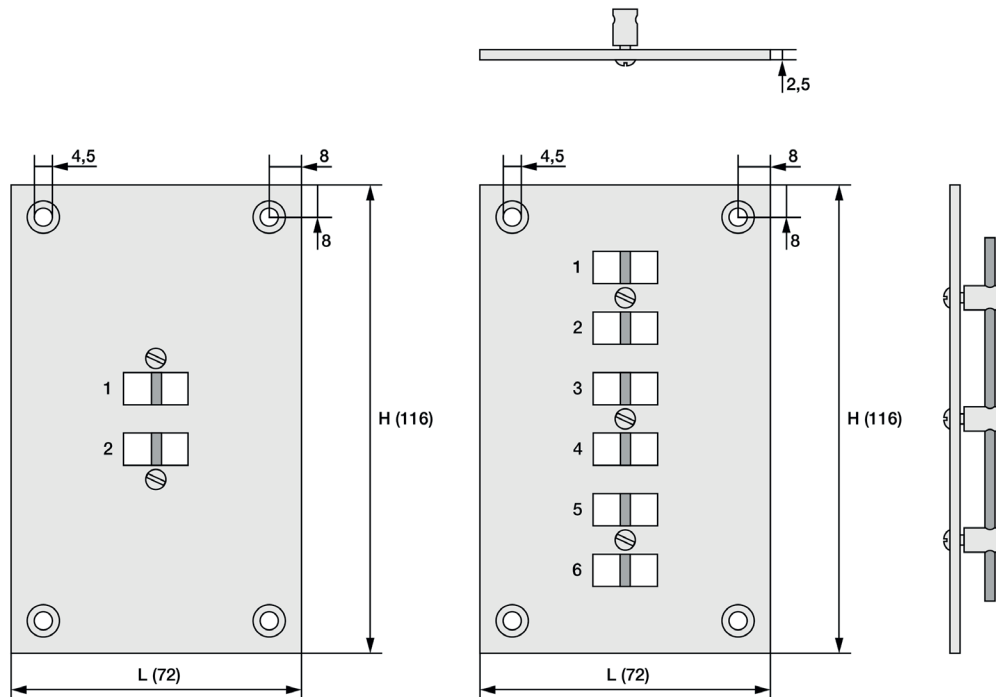

Article no.: 809620 21XX

Mini panel type J - vertical is made of Glass fiber filled plastic. Perm. range °C up to max. 220 °C. Suitable for Type J, Fe-CuNi (black according to DIN EN 60584) .

Technical details		Technical drawing
Suitable for	Type J, Fe-CuNi (black according to DIN EN 60584)	<p>Exemplarisch für sechs Messkreise. Beispiel für ein Messkreise.</p>
Perm. range °C	max. 220 °C	
Housing	Glass fiber filled plastic	
Conductor diameter	Clamps up to 0,6 mm Ø, fast connection by means of shear clamps	
Reverse polarity protection	due to different contact pin widths	
Bushing	spring loaded, original thermocouple materials	
Front plate	Aluminum anodized, corrosion protected	
Measuring circuit numbering	Abrasion and smudge resistant, consecutively numbered	
Panel mounting	with 4 mounting holes for M4 screws	
Scope of delivery	Mini panel type J - vertical, packed in PE bag	

Your order code		Configuration				
Code		Number of measuring circuits	Panel length (mm)	Panel height (mm)	Panel cut-out length (mm)	Panel cut-out height (mm)
